

# Supraton UWF Tumbled Clay Pavers

If you like colour, pattern and character, Supraton UWF Tumbled Clay Pavers could be just what you're looking for. A joyful mix of terracotta, honey, dark brown and mid brown coloured pavers gives you the opportunity to create your own patterns, or, why not just go wild with random arrangements?

These clay pavers have been crafted with care by the experts at Weinerberger which means that they're easy to handle, durable and strong. A patio, path, driveway or terrace created using Supraton clay pavers will never let you down in terms of functionality or aesthetic.
